

The Alliance with Gaia Passage Twenty One

Onwards, focus, clarity and an indomitable spirit. If we stumble and feel weary at times and shed tears, well so what, we have to find time for self-nurture and also to re-balance, believe in our journey and not give up.

Fat Control is all around, though each person is sovereign and each person has gifts to offer via humble service.

We travel on with more gratitude and appreciation, this is not to turn a blind eye to the harmful and destructive ways on this planet but to feel a gratitude for everyone who has an appreciation and reverence for the masculine spirit, the feminine spirit nature and the animals.

Below is one of the “stars” in the video clip. “Behold The Beauty Of Gaia”
The cat is fluffy, gorgeous and fierce when needs be just like the etheric cat.
